when he gets close, Woodside stops, watching the paintings. The marine imagery and Bahamian portraits are stunning--all in a particular patchwork-looking style.

He is entranced. At the bottom of each painting, in the corner is signed Thaddeus Harl. *There's something here.*

MAN'S VOICE (V.O.)

Dennis.

WOODSIDE

Dennis.

Woodside snaps out of it, noticing Donovan, the handsome camp counselor behind him. His name tag says: DONOVAN WILLIAMS.

START

DONOVAN

It's Donovan.

WOODSIDE

Huh?

They're both confused.

DONOVAN

The bathroom is over there. That's what you looking for?

Woodside nods a little too much, nervous.

WOODSIDE

(quickly; quietly)

Thanks.

DONOVAN

No problem.

~~Donovan just smiles and keeps walking. Woodside watches him as he goes, then continues in the restroom.~~

~~SERIES OF SHOTS - AROUND THE BAHAMAS~~

~~-- a beautiful sandy beach with rolling waves stretches out along the horizon. A lone woman walks along it.~~

DR. ALBURY

~~Because we're surrounded by water, our beaches play a critical role in our lives as Bahamian people.~~

~~A fisherman on a twenty-foot boat pulls a large snapper out of the water, another man tending to their haul of fish at the back of the boat.~~

MS. PRATT (CONT'D)

~~I just want you to meet someone.~~

(calling out)

~~Donovan~~

~~Donovan is with a few kids from another school. He hears and makes his way over. Woodside's eyes are trained on Donovan as he trudges through the sand.~~

MS. PRATT (CONT'D)

Hey, Donovan. This is Woodside.
He's in my group.

DONOVAN

(smiling)

Yea, yea. I met him on the first
day. That was funny just now.

WOODSIDE

(shyly)

Thank you.

Ms. Pratt watches, fully invested in her little trap.

MS. PRATT

Well, it seems like Woodside is
really interested in this stuff,
and I was thinking he should at
least meet you. Donovan already did
the program three times, and he's
our superstar Jr. Counselor. So...
yeah. Maybe he can teach you some
stuff over this summer.

WOODSIDE

(a bit too eager)

Ok.

DONOVAN

Ok, cool. Sounds goods.

Donovan smiles, nodding, making Ms. Pratt smile. A girl
SCREAMS a ways away.

DONOVAN (CONT'D)

Oh, Lord. Lemme handle that.

Donovan walks away, shaking his head with a smile.

MS. PRATT

Thanks, Donovan.

DONOVAN

You're welcome, Ms. Pratt.

Donovan notices Woodside walking up to him. He blushes a little. Woodside smiles, but tries to be aloof.

START

WOODSIDE

What you doing here?

DONOVAN

I should ask you the same thing. At least I old enough to drink.

Woodside glances at his cup, then back at Donovan, smiling.

WOODSIDE

I'm just with friends. Having fun.

DONOVAN

But I just get here. How you having fun already?

Just then, PJ walks up to Woodside, leaning on Woodside.

PJ

Hi. I'm PJ. I'm Woodside's friend.

DONOVAN

Nice to meet you, PJ.

Woodside looks to PJ. *Why are you here?*

Half beat. Donovan glances between PJ and Woodside.

DONOVAN (CONT'D)

I guess I'll see you around.

WOODSIDE

I'll be around.

END

~~Donovan walks off, catching up with his friends.~~

~~WOODSIDE (CONT'D)~~

~~Why you cockblocking?~~
